

Letter to Incoming Seniors

Write a letter of advice to incoming seniors in which you outline what worked well for you and what didn't work well in Senior Exhibition. Hit 3-5 of these options, the ones that are most relevant to your experience. Obviously, if you have advice to give that doesn't fit under these prompts, please include that advice, especially if you think it is relevant and helpful.

How to polish an EQ so it works

Creating an Exhibition proposal that actually works for you

How to secure and work with an outside expert

How to work with an inside expert

Work habits that served you well

Work habits that did you in

Tips on research

What you would have done differently on your Service Learning Project

What you would have done differently on your research paper

What you would have done differently on your presentation

How to work with a panel and get the most out of panel presentations

Your letter should be typed, dated, and include a salutation (Dear Incoming Senior), and be signed. It should be 3-5 paragraphs long.

Written in class on 6/3. Due 6/3.
